Statement of Directors Responsibilities in respect of the Directors Report and the Financial Statements

The Directors are responsible for preparing the Directors report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year, which meet the requirements of Isle of Man company law. In addition, the Directors have elected to prepare the financial statements in accordance with UK Accounting Standards.

The financial statements are required by law to give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether they have been prepared in accordance with UK Accounting Standards and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Acts 1931 to 2004. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

Report of the Independent Auditors, KPMG Audit LLC, to the members of Onkwawista Limited

We have audited the financial statements of Onkwawista Limited for the year ended 31 March 2012 which comprise the Profit and Loss Account, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards.

This report is made solely to the Company's members, as a body, in accordance with Section 15 of the Companies Act 1982. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Directors and Auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 2, the Directors are responsible for the preparation of financial statements that give a true and fair view. Our responsibility is to audit, and express an opinion on, the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Directors; and the overall presentation of the financial statements.

Opinion on the financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 March 2012 and of its profit for the year then ended;
- have been properly prepared in accordance with UK Accounting Standards; and
- have been properly prepared in accordance with the provisions of Companies Acts 1931 to 2004.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Acts 1931 to 2004 require us to report to you if, in our opinion:

- proper books of account have not been kept and proper returns adequate for our audit have not been received from branches not visited by us; or
- the Company's balance sheet and profit and loss account are not in agreement with the books of account and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.
